NEW STREAMLINED LUCCA MARKET STAGES OPENING THIS WEEK END

Many Gifts Slated For Patrons Friday, Saturday

Completely remodeled for better service to customers, Lucca Market, 7370 Mission street, Daly City, will have a grand opening this week end.

Beginning tomorrow, August 19, a pre-grand opening sale will start and continue through until Saturday night. Many free gifts will be given away to celebrate the new modern market.

Showing that not only their market but also their gifts are keeping up with the times, owners Pasquale and Thomas Stanghellini will also give away a television set. Tickets will be given on the set to everyone visiting the market, and the winner will be chosen Saturday, August 27.

Pasquale Stanghellini has long been an established businessman of this community. Wishing to expand with Daly City, Stanghellini has enlarged his market. Along with his son, Stanghellini has planned a market that is one of the best in Daly City.

Upon entering the store the customer will pass through an all-steel vegetable department managed by Angelo Casentini. Here one may find daily fresh fruits and vegetables arranged in tantalizing display.

In the meat department, operated by Lawrence Pinochi and Louis Stanghellini, only the best quality meats are available. Although meats of all description will be on display, the customer may still call for his choice of cuts.

The remainder of the market offers a complete streamlined store of all-steel fixtures. Choice of color, not only for fixtures but for floor covering, painting and wall papering, and lighting as well bring about a harmony of color both pleasing and in good taste.

Complete refrigeration for all frozen foods, and a self-serve delicatessen are features of the new store. Still no deviation has been made in the famed quality and quantity of both imported and domestic delicatessen items.

The customer may examine his desired items and see them sliced before his eyes. For those wishing to select merchandise for casual buffet or lunch, that may be done on a self-service basis.

It will no longer be necessary to wait in line at Lucca Market. A speedy check-out system has been installed in conjunction with the delicatessen and liquor department.

BACK TO SCHOOL DAY SET AT SEPTEMBER 12

Back to pencils, books and teachers' alert looks will be the students of Daly City September 12.

Both Jefferson High school and the elementary schools will swing open their doors on that "gloomy" day.

Pre-registration of all new pupils in the elementary grades will begin Thursday morning, September 8. All parents are requested to register new students at that time.

Pre-registration for those students who have not already registered will be held at Jefferson High school September 7 to 8. Pupils who also wish to change their schedules may consult with advisors on those two days.

Parents wishing to enter their children in kindergarten may do so only during the first month of school in any school term.

Ages for kindergarten students begin at 4½ years of or before September 1. Students who are 5½ years of age on or before September 1 will be admitted to the first grade during the first month of school in any school term.

The end of the first semester for the grade schools during the coming year will be February 3, with the second semester beginning February 6.

Holidays during the coming school year will come to a total of 23 days, including 10 days during Christmas and five days during April.

The schedule of holidays for the Jefferson High school is not yet available. However, they generally follow those for the grade schools.

FORMER "RECORD" REPORTER TO WED

Dispensing with the usual formalities of a large wedding, a former woman reporter for the "Daly City Record" is to be married August 21.

She is Bunny Atkinson, who not too long ago was known for her sparkling columns in the "Record." The groom to be is Frank Mortore, a student at San Francisco State College.

The two will be wed at Our Lady of Mt. Carmel Church in Mill Valley Sunday.

Following a short honeymoon the couple will return to their respective studies at SFSC.

POLICE TURN FIREMEN, PUT OUT AUTO BLAZE

Always willing to give a helping hand, police officers last week turned firemen.

A call came in from Lawrence Dilley, 775 Circle court, South San Francisco, that his car was on fire. Police rushed to the Daly City Theatre where the automobile was throwing up a screen of smoke.

Officers pulled out fire extinguishers and in a moment had the blaze out. The fire, caused by a shorted battery cable and grease under the floor board, did a minimum of damage.

RAT CATCHER "BUMPS OFF" CAT

Yep ,that last rat you caught was smiling.

At what?

The case of the Daly City cat, former resident of 172 Miriam street, who ended a short happy life last week.

Exploring the possibility of catching more rats, the cat dove for one and was caught in a large rodent trap. The trap broke his jaw, and the city poundmaster was forced to put him to sleep for good.

THEME TO BE SET FOR OLPH ANNUAL FESTIVAL OCT. 21

Theme of the coming eighth annual Festival and Carnival at Our Lady of Perpetual Help Church is now being worked out.

The Carnival will be held this year for three days beginning October 21. Father William Stewart, in charge of the affair, said he will try to find a suitable theme some time next week.

"I'm sure it will measure up to the western decorations of last year's Carnival," Father Stewart noted.

It is expected that some advice on this will be forthcoming from George Caligari and Frank Dennin who helped to insure the success of last year's event.

Earlier in the week details were worked out for prizes. Paul Green, Anthony Parmisano, Bill Carrington and R. J. Emis all assisted in organizing this phase of the Carnival.

The type of prizes will be announced at a later date, Father Stewart said.

Meanwhile, tickets for the affair are now being mailed out to parishioners and friends. The tickets will entitle the bearer to enjoy many games, dancing, prizes and various other attractions.

HORSES "INVADE" LOCAL LAWNS

Evidently taking a cue from one of their cousins, four horses invaded Daly City last Tuesday.

Earlier last week a donkey spent a few eventful hours "laughing" at everyone in general near Hillside boulevard.

The horses, however, used their mouths to feed their stomachs and were busy chewing up flowers and grass in the Bellevue and Frankfort area when an officer arrived.

Four men and a horse are one thing, but four horses and one policeman are another. Consequently the officer had only one choice, and he chased the horses up into the hills above Frankfort street.

Police, and the poundmaster (who caught last week's donkey, erroneously reported as work of officers) are all hoping to see fewer horses in their departments.

F.O.E. AUXILIARY PLANS TWO DAY SEPT. BAZAAR

Plans for the annual Colma-Vista Grande Auxiliary No. 1848, F.O.E., bazaar moved ahead last week with the meeting of the booth committees.

The bazaar is planned this year for September 23 and 24 in the Daly City Eagles Hall, 3346 San Jose avenue. It will be open from noon until midnight.

Booths featuring a range of merchandise from dolls and stuffed pandas to bacon and coffee will be operated during the two days of the bazaar.

Women in charge of booths include Mesdames: Dolly Lewkowitz, needlework; Alberta Diebel, stuffed animals; Edna Mona, canned coffee and bacon; Marge Kennedy, dolls; Dorene Gardner, candy; Jessie Martin, aprons; Marge Lynch, cake; Freda Pederson, refreshments; Edrie Summers Sr., juvenile; Dolly Davison, bingo, and Agatha Hayden, contests for a doll and tablecloth.

Meanwhile, spirits not dampened by the weather, a caravan of trucks and cars carrying 50 women and children last week left the

More, Better Street Lamps Coming In Daly City

Planning to make Daly City the best lighted community in California, city officials today moved ahead with plans for additional lumen mercury lamps.

Mayor Paul Green announced today that the Pacific Gas and Electric Co. is now making a survey for additional lights.

It is planned to have new lamps at every intersection on Mission, and in the commercial district between Vale and Market streets.

After this has been completed lights will also be installed at the intersection of Junipero Serra and Westlake and North Park.

Cost of the project has not yet been ascertained. However, the PGE bears all the cost of putting in the lights. The city merely has to pay for the additional power, Mayor Green said.

The lumen mercury lamps are found to be the best as they are able to penetrate even the heaviest fog, and also throw a brighter beam.

DC STUDENT TAKES UC SCHOLARSHIP

Recipient of a University of California Alumni Association scholarship today is Miss Barbara Jean Biagini.

The daughter of Mr. and Mrs. E. Biagini, 467 Knowles, was chosen from hundreds of applicants in San Mateo county to receive the scholarship. She will enter UC this fall taking a major in chemistry and a minor in music.

A graduate of Jefferson high school, Miss Biagini has always been on familiar terms with "A" grades. She finished school at the top of her class after completing terms of office as president of the Latin Club, Honor Society and several other organizations.

Miss Biagini said she would use the $300 scholarship to help her through her freshman year at the university.

LIONS BREAK ALL LAWS FOR SEPT. BAZAAR

Violating the U.S. Fair Trade law this week, and until September 10, will be members of the Daly City Lions Club.

Law-minded citizens might call the district attorney, the city police, or even the FBI, but by doing so they will only hurt their own pocketbooks.

For on September 10, the Lions are holding the first, of what they hope will be an annual bazaar at the Sprouse-Reitz store, 6400 Mission. Unlike many bazaars, there will be big bargains for those who have only a dime or dollar.

Many nationally advertised goods will be sold from one-quarter to one-half below the standard price. In doing this the Lions are violating the law of the land, but they are also helping the customer to save many a penny.

Such things as toothpaste, shaving soap, hairpins, lamps, socks and a variety of other items will be on sale at below cost prices.

Money from the sale will be used by the Lions to help needy boys and girls to enjoy the benefits of recreation and the everyday essentials of good living.

Thus, be sure and mark September 10. On that day law violators will not only help the customer, but also thousands of children by selling nationally advertised goods at low prices.

In case of a curious reader, this is being done by the means of gifts. The large companies gave the Lions the goods, and in turn the Lions can sell them at any price they so desire.

MERCED GOLF COURSE LAND MAY BE CONDEMNED

With a $150,000 improvement project to the main building nearing completion, officials of the Lake Merced Golf Club were apprehensive today over reports that the Jefferson Elementary school district intends to condemn approximately 10 acres of golf course land.

Club officials, who value the grounds and improvements in excess of $3,000,000, said that such a move would ruin the course and leave them no acreage for the nationally famous golf layout.

President John Hester said the school authorities had offered

PETTIGREW HOME SOON FROM VET HOSPITAL STAY

Planning to return from the hospital the first of next month, C. J. Pettigrew announced today he would reopen the Daly City Garage, 49 Hillcrest drive.

The garage will open within the next two weeks. Pettigrew's son, Allen, will be in charge of work until his father is once again able to be at his place of business.

Pettigrew has been in the Veterans Administration Hospital in Oakland for the past month. He was temporarily forced to close the garage when he suffered a stroke.

GIRL, 6, HURT IN AUTO ACCIDENT

A six-year-old girl sustained slight lip injuries in a two-car accident in Daly City Monday.

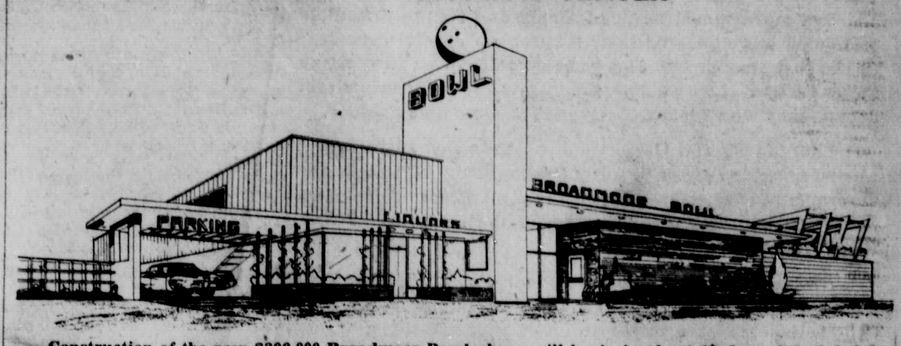
Injured was Kathleen Yadelis, daughter of Mrs. Betty T. Vadelis, 739 Bayshore street, who was driving one of the vehicles. Kathleen sustained a cut on her lip when she hit her mouth on the dashboard after a car her mother was driving collided with a parked auto on Alexander just off Templeton.

The accident occurred when Mrs. Yadelis "lost control" of her vehicle while making the turn off Templeton into Alexander, police said. She struck a car belonging to Mrs. Robert Nowar, 730 Templeton.

Both cars sustained damaged front grills and front fenders.

Katherine was taken to Junipero Serra hospital, treated, and sent home.

DALY CITY'S NEWEST RECREATION CENTER



Construction of the new $300,000 Broadmoor Bowl above will begin in about 60 days. Scheduled for completion in late February the modern new recreation center will contain 16 bowling alleys, billiard room, a restaurant and lounge. The bowl, to be located at School street between Werner and Mateo streets, will be owned and operated by the Broadmoor Bowl Corp.

$300,000 RECREATION CENTER OPENS AT DALY CITY IN SIX MOS.

Daly City is soon to have a new $300,000 recreation center consisting of a bowling alley, billiard room, restaurant and lounge.

With construction starting within 60 days, it is expected the center will be open for play in about six months. It is to be located on School street between Mission and Junipero Serra boulevard.

Daniel A. Dolan and Dino P. Ruggeri are president and secretary, respectively, of the Broadmoor Corporation. The partners are promoters of the new venture.

Ruggeri asserted the Bowl was the outgrowth of this area's need for a sports center.

"We went many a mile to find a place to bowl," Ruggeri said, "and then most times found the alleys were reserved for league play."

Because of his own experience Ruggeri intends to keep six of the 16 alleys open at all times for non-league play. Beginners or persons who do not bowl in competition thus will have a chance to play.

All of the alleys will be equipped with semi-automatic pin setting devices.

"This will be one of the most modern installations of this type of equipment o nthe coast," Dolan said.

The Bowl will contain 20,000 square feet plus an additional 65 car parking lot. The building entrance will be on School street.

Robert Norton, San Francisco, is the architect.

MUSTANGS TACKLE HAYWARD IN GAME THIS SUNDAY

Charging onto Jefferson High school field this Sunday for their first game will be the Daly City Mustangs.

The brawny 11 will take on the powerful Hayward team. This promises to be one of the best games of the year as both sides are near the top of those teams contending for this year's championship.

The first game will be a benefit for one of the Mustang men hurt earlier in the season's practice. He is Aldo Cinquini. All proceeds will go to the payment of his doctor bills and off-work bills.

In the starting line up for the Mustangs at 2 o'clock will be: Dick Mevers, re; Jerry Listma, rt; John Coccehhato, rg; Bill Rogers, c; Tom Fazendin, lg; Lee Stevens, lt; Walt Silva, le; Joe Tutoni, rh; Flash Ross, lh; Chamber, f, and Boy Plyer, q.

The team will be coached bv Harlan Ferrando, local high school gridder. And look for the famed "T" formation as Ferrando is rumored to have this literally down to a "T."

Charles Kenny will coach the Hayward team who will have in the field: David Oliveria, rg; Claude Collin, lt; Dan Rpudencio, lg; Charles Texeira, re; Richard Cruz, c; Charles Wilson, le; Johnny Richina, rh; Rudy Hightower, lh; Bill Bascom, qb; Albert Lewis, fb; Charles Souja, rt.

Three of these boys, Collins, Wilson and Lewis are former University of California players. They, combined with an average 210-pound line, will offer the Mustangs a real fight.

CIAMPI CHOSEN TO DESIGN WAR MEMORIAL BLDG.

Architect for the proposed Daly City $295,000 War Memorial building will be Mario Ciampi, San Francisco.

Mayor Paul Green said Ciampi was chosen after a caucus meeting between three architects and city officials Monday night. The selection was based on tentative plans submitted by Ciampi and on his past work.

"We believe he is one of the best architects for our purpose. He designed All Souls school in South San Francisco," Mayor Green said.

It is expected Ciampi will submit tentative plans for the building at the Monday night meeting of the council, August 22.

Meanwhile, other business up before the council this Monday will include awarding contracts to L. C. Smith Co. and Douglas Woodhouse Co. for work on Garden Valley and Hillside boulevard streets, respectively.

Bids will be opened for the new air compressor and abatement proceedings will begin against a residence at 335 Willits street and against the property of Paul Costiglia at Thiers and Geneva streets.

LIGHT GLOBE STARTS LUMBER MILL BLAZE

Back in operation today is a lift jitney at the Doelger Lumber Mills, Junipero Serra and Vista Grande, which last Thursday was a mass of flames.

At 4:15 Thursday afternoon Daly City fire eaters answered an alarm at the mill. Upon arriving they found the lift blazing, but checked the fire before it spread.

A lighted light globe started the blaze. It had been left in a pool of inflammable liquid.

Damage was reported as negligible.

NUMBER BUILDING PERMITS ISSUED FALLS OFF

With the now settled strike in the building trades holding up construction work last week, only four building permits were issued by the city.

The permits went to: Guiseppe Nano, 61 1st avenue, for construction of a $240 garage; Lester D. Bastedo, 338 Willits street, $200 for remodeling home; Mrs. E. Belli, 20 San Pedro, $600 for remodeling dwelling, and R. R. Bauch, 350 Woodrow street, $600 for asbestos siding.

FAMILY DAY, PIE-BAKING CONTEST, CRAFT EXHIBIT COMING NEXT WEEK

Pack your picnic luncheon, gather up your children and come to Marchbanks Park August 28 for a Family Fun Day.

Sponsored by the Daly City Recreation department, the day will be devoted to bringing all the family hours of relaxation.

Activities will start at 10 a.m. and will continue through until 4:30 p.m.

Featured attraction of the day will be a double-header ball game to determine the best ball players in Daly City. At 10 a.m. the recent Class B American League champions, the Colma Boys Junior club, will take on the Daly City Boys A club.

In a game played in June, these teams battled to a 6 to 6 tie. This game will decide which of the two is the best.

Another battle will start at noon when the almost unbeatable Colma Senior Boys club and Junipero Serra Merchants lock horns. Last year the Colma boys took the Merchants to the cleaners, and this year the Merchants hope to reverse the trend.

Following the games, lunch will be the order of the day on the lower level. Pop, peanuts, ice cream and other such items will be sold.

At 3:30 p.m. a father-son softball game will be held in conjunction with a mother-daughter softball and volleyball game.

Folk dancing and square dancing will follow the games.

Tournament day, originally scheduled for last Friday had to be called off because of heavy dew. However, the big day will be held tomorrow at the Jefferson high school from 10 a.m. to 3 p.m.

Another event coming up next week should interest all cooks and pie eaters. On August 23, 10:30 a.m., at Jefferson high school a

Relish Bakery Looking For Sun

Equipped with a new freezer and ice cream maker, the Relish Bakery, 6356 Mission, is in a position today to offer customers the best ice cream yet.

Only one difficulty is involved. As most ice cream is consumed on hot days, the Relish Bakery is now on the trail of the weather man.

"Where is the sun?" is the management's most frequent moan.

When they find the answer to that one, "The Record" will be glad to print same.

City Due Refund On Signal Work

An additional $1,067 for street work is due the city, thanks to a low bid for signal and channeling work at Junipero Serra and School street.

Mayor Paul Green today said he has asked the state department of highways for the aforesaid refund on money put out by the city for the completed signal work.

The refund is due, Mayor Green said, as the work cost approximately $2,000 less than first expected. The city earlier put up half the amount needed for the work, which in turn was matched by the state. Total put up by city and state, $21,000. Cost of job $18,864. Hence, the $1,067 refund.

The refund will be added to the city's share of money due them from the state tax on gasoline.

STATES 49 AND 50 — WHEN?

The marathon struggle of Alaska and Hawaii to achieve statehood has appeared near fruition on several occasions in the past year or two. But close doesn't count. They aren't states yet, and if we are to judge by present congressional inaction, they won't reach their goal for some time to come.

Last March the House Public Lands Committee voted almost unanimously in favor of the statehood bills. Now, the chairman of that committee says that no effort will be made to bring the measure to the floor of the House for a vote. Why? That isn't clear.

No less than eight congressional committees have reported that these territories are ready for membership in the Union. Reports were based on direct investigations. Washington opinion is that the statehood bills will be passed by an overwhelming margin if, and when, they come to a vote. But they are being kept tucked safely away in committee. That brings up the question again: Why?

Maybe it is just that congressional leaders don't want to spoil the record of this Congress by getting something done.

READ AND WEEP

According to the publication "Tax Outlook" here is what happened to an order which the Army placed for onions: We quote: "The order was date stamped, time stamped, examined, routed, copied, typed, receipted, entered on other documents, underlined, described and — key punched, card punched, coded, tabulated, checked, matched, filed, discussed, reviewed technically, then just plain reviewed and — indexed, analyzed, mailed, abstracted, printed, registered, inspected, sorted, noted, stored, transmitted and vouchered.

Messengers handled it 110 times in its trip through 18 subdivisions." The order actually required 288 separate and distinct actions. How in the world did the Army manage to spare any men for the fighting during the war?

TIMES CHANGE

The first cross-country auto drivers took almost as much equipment with them as the '49 wagon trains. Back in 1908 a brave couple — man and wife — traveled from one ocean to the other in a two-cylinder car. They took along 10 extra tires and 30 inner tubes, 20 spark plugs, 6 five-gallon gasoline cans, 300 feet of rope, shovel, block and tackle, crowbar, ax, and cross-cut saw.

How much of this equipment they had to use we don't know, but we imagine that the trip was somewhat less smooth than it would be today. The same couple, by the way, is making the journey again this year. They'll probably leave the crowbar at home.

STEADY, NOW

Life at sea may be due for a big change. The old familiar roll of the ship which makes landlubbers lose their appetites is going to receive a steadying influence from the U.S. Navy. The Navy has been studying methods of ship stabilization and now believes it has hit upon a device which will be 80 per cent effective.

The basic idea isn't new. It involves two half filled tanks on opposite sides of the ship operating on the counterbalance principle. Water is pumped through a connecting pipe from one to the other by electronic control which swings into action at the very instant the vessel starts to lean in either direction. If this device comes into wide use, what are the old sailors going to do with their sea legs?

SCRAPPY BIRTHDAY

Every year in common with other mortals George Bernard Shaw has a birthday. There, however, the similarity ends. No one else has birthdays quite like those of G.B.S. When Joe Doakes celebrates his natal anniversary it's usually a family affair and he has a friendly feeling toward the world.

Shaw's birthday has become a world event and the old boy usually has something pretty biting to say about that world. Of course, Shaw's fame and fortune is inseparably tied up with his sharp tongue and he has no intention of getting mellow when he's only 93. Maybe 50 years from now he'll soften a bit.

WANT A WIFE?

The young man in St. Joseph, Missouri, who advertised for, and got, a wife, has proved either that (1) newspaper ads have even more "pull" than publishers realize, or (2) there are an awful lot of girls hunting husbands. Maybe it is a combination of both.

This should be a tipoff to the gals and guys who haven't met the "right one" to try the classified ads. Of course, it's one thing to bring a couple together, but it's something else to keep them that way. Ads haven't become that effective—yet.

BILLS! BILLS!

Normally 8,000 bills are presented at each session of Congress. It takes so much time, apparently, to put all these in the hopper that Congress has no time to act on any of them. Maybe it's just as well. The bills introduced by one senator alone called for the expenditure of $20 billion.

COLMA BOYS JUNIOR CLUB TAKES S. F. AMERICAN LEAGUE "B" PENNANT

Chalk up another champion baseball team for the Daly City-Colma area.

Last Sunday the Colma Junior Boys Club took the San Francisco Recreation Department Class B American League pennant by beating the Wisconsin club 3 to 0. This was a protested game, but there could be no protests after the Junior Boys finished the Sunday game.

Two weeks ago another local team, the Daly City Blues walked off with the San Francisco Class A National League Pennant.

And just to do everything up in a neat bundle a San Francisco team backed by Joseph Sarto (who also is behind the Colma boys) won seven in a row to take the Class A American League win.

Although not in the league, the Colma Boys Senior club went on to the 14th win of the year last Sunday, beating the Dan Neuwles club by the tight score of 4 to 3.

While all the prizes have been taken in the various leagues, the teams will continue to play for the rest of the summer. They will play independent ball.

The Senior Colma team, however, will play through the winter, Sarto said. This can be done, as the majority of players are no longer in school.

Another Daly City team, the Daly City Boys Club will meet Downey Flake Shop in an independent game this Sunday. The game will be run off at Bryant field at 10 a.m.

NEW RACING FAN FOR TROMBORG JR.

Another potential midget auto fan was added to the Thomas Tromborg Jr. family this week with the birth of a 5-pound-12-ounce girl.

The baby was born August 9 at 4:37 a.m. at Mary's Help Hospital. She has been named Darlene Marie.

Darlene is the sister of Sharilyn Eleanor, now one year old.

Tromborg Jr. is famed for his racing column in the "Daly City Record," and when not writing helps to operate a plumbing business at 26 Hillcrest drive.

TRAFFIC COURT

Traffic violations for the past two weeks reflect that a good many motorists are more intent on where they are going than how they are driving.

Judge William Sweeney last week fined the following drivers each $7.50 on speeding charges: Julian Havney, Donald Laudenbach, Maurice Nicol, Richard Bruhn, John R. Cahill, Donald Castronovo, Rose Linnamond, William Closson, Robert S. Rossland, Thomas Donoghue, Elmer Welek.

Speeding cost these motorists $5: Clare Brunet, Floyd Butley, Lydia Elvitsky, Jessie Faye, Frances Geissler, Robert Coe, Jack Griffin, John H. Lorber, James Lovett, Edith Lupori, Keneth McBain, Lovette M. Nohrden, Robert Pennington, Stephen Pistone, Otto Schmallzle, Fillip Villa, Robert White, Chin Nom Wye.

Fines of $5 were also meted out to drivers for failing to pay attention to a pedestrian's right of way: John D. Magee, Christine Pack, John Peters, Clenon Patter, Elsa Woolams, Alma V. Souza, Ralph Sunderhawf, Melvin Yetter.

Failing to stop at a red light cost the following motorists $2.50: William Learning, June C. Stevenson, Sam Vella, Benjamin Watson, Marjorie Wescott, Thomas H. Badford, Edward J. Bruyone, Edward Counihar, Dustin C. Clover, James Edmonds, William Elder Jr., Milton Evans, Anthony Fricaro, Ben Galindo, LeRoy Ivancich, Walter Johnson, Eugene Jordan, Arthur Love, Peter Maffei, Ardrie Myre, Douglas Park, Willis D. Robertson, and John Svin.

Wedding Bells For R. Plyer And N. Herd

With the sound of wedding bells still ringing in their ears, Mr. and Mrs. Robert Plyer are honeymooning today in northern California.

The couple were wed Saturday evening, August 13, at the Swedenborgen Church in San Francisco. After the wedding some 200 friends and relatives attended a reception at 337 Bellevue. Here they wished the newly married couple well and ate their portion of a large four-tiered wedding cake.

Plyer's wife is the former Miss Nadi Herd, daughter of Mrs. Mary Herd, 567 18th avenue, San Francisco. She is a graduate of a San Francisco high school and is employed as an insurance secretary.

Robert Plyer is the son of Mr. and Mrs. Percy Plyer, 45 Rice street. He attended Jefferson high school and is now employed as a laundry driver.

With the first notes of the "Wedding March" Miss Herd came down the aisle dressed in a long white satin gown. She had a finger-tip veil which accented the sweetheart neck on the gown.

On her head was a Juliet hat crowned with pearls. She carried an orchid bouquet.

Dixie Massie was the matron of honor and wore a pink satin dress with a hoop skirt and an off-the-shoulder effect. She carried a bouquet of carnations.

Mrs. Gerald Plyer, the only bridesmaid, was dressed in a similar dress, but of a blue color.

Best man was Robert's brother, Gerald. Other attendants included David Plyer and Chuck Christian.

The bride's mother was dressed in a blue lace gown, ankle length, and had an orchid corsage. The groom's mother wore a slipper satin gown with an orchid corsage. Both women wore coats.

When the couple return from their honeymoon they will make their home at 567 18th avenue, San Francisco.

LINCOLN TO PLAY FOR RECREATION BALL PENNANT

Set to play any team for the Daly City Recreation department baseball pennant today is Lincoln playground.

Lincoln won the right to play in the finals after defeating Crocker Thursday by the tight score of 3 to 2, and Tuesday whipping the Daly City All-Stars by another thin point, coming up with a 2 to 1 win.

In the Thursday game, pitcher Jim Fernandez gave the Lincoln lads a bad time, pitching close to a one-hit game. However, Lincoln was able to score thanks to two errors made by Fernandez' teammates.

For Lincoln it was Owen Charles who was the only one to get a hit off Fernandez, and that was a double, bringing in two runs. The third run scored as Fernandez went wild and walked four men.

In the Tuesday game Owen Charles and A. Kindrich were the only Lincoln players able to get hits. This was due in no little part to the fine pitching of Roja for the All-Stars.

Next week the Daly City Recreation department baseball league will wind up for the summer with a game between Holy Angels and Crocker.

The winner of this contest will meet Lincoln in a three-game series for the summer playground pennant. Time and date of this contest will be annuonced later.

Navy Has Airman School Openings

Young high school or vocational graduates may now file applications for enlistments in the U.S. Navy airman school.

Applicants for enlistment in this program will be enlisted as airmen recruits. Upon completion of recruit training, these men will be transferred to an airman school for a course of training.

Full information on this program may be obtained by phoning or visiting the local navy recruiting station in the county courthouse, Redwood City. The phone is EM 8-1185.

JACK GIUSTI DIES SUDDENLY AT HOSPITAL

Friends and relatives today are mourning the sudden death of Jack Giusti, 54, 374 Woodrow street, who died at Junipero Serra hospital Wednesday.

Giusti's death came just one week before he had planned to go to St. Louis to attend services for his son, Lt. Roy Giusti. Lt. Giusti's body is being returned from Europe, where he was killed in air combat during the war.

A pioneer resident of Daly City the elder Giusti had many friends throughout the Bay area. A warehouseman, Giusti was a native of Italy.

He is survived by his widow, Mrs. Rose Giusti and a son Albert.

Funeral services will be held tomorrow, Friday, at 9 a.m. from Valenti, Marini, Perata Co. A requiem mass will follow at Our Lady of Perpetual Help Church. Interment will be in the Italian cemetery.

Mrs. Giusti and her son will fly to St. Louis next Thursday to attend the military services for Roy who is to be interned at Jefferson Barracks National Cemetery.

Music Concert Next Week At deLeon's Store

Talented Daly City youths will give the first of several monthly music concerts August 24, at 8 p.m., in deLeon's Music store, 6127 Mission.

The concert will be free to the public with a program made up of everything from ballads to a harmonica solo. It is being sponsored by deLeon in the hopes that both the performers and the citizens of Daly City will benefit.

Some of the many numbers will include:

A trio, with Gordon deLeon, piano; Bob Gillette, bass, and Jack Merzi, drums.

Edward Church will give a harmonica solo, followed by Bob Moore, who will sing ballads, accompanying himself with a Spanish guitar.

Bob Gillette will then return to give a number on his alto sax. Joseph and Gordon deLeon will be featured in a violin and piano duet, followed by a piano solo by Gordon and a baritone number by Joseph.

Joseph will stay on stage to accompany Charlene Holliday, soprano, in a duet. Then Gordon will return to play a clarinet duet with Bob Gillette.

These are but a few of the numbers on the program. Everyone is invited to attend.

Beef cattle production in 1948 returned $5,317,881,000 to America's stockmen and farmers.

New Buick Special Introduced

NEW styling throughout, many engineering improvements and a completely new grille and bumper design are incorporated in the new Buick Special. With Dynaflow offered as optional equipment, the low-priced Buick is long and sleek in appearance but three inches shorter over-all. Shown above is the four door six-passenger sedan.

Surprise Bridal Shower Given Miss Seiler

Better equipped for housekeeping today is Miss Dolores Seiler, who was given a surprise shower last Saturday.

Miss Seiler, daughter of Mr. and Mrs. August Seiler, 37 Joost street, San Francisco, was given the shower at the home of her aunt, Mrs. Henry Seiler, 663 Evergreen, Daly City.

Some 50 guests and relatives were on hand for the event, including a group from the Relish Bakery where Mrs. August Seiler is employed.

Many useful and beautiful gifts were given the bride-to-be by her friends and relatives. Following the shower refreshments were served, buffet style, from a table adorned by a miniature bride and groom under a wedding bell flanked by two large candles.

Co-hostess at the shower was another of Miss Seiler's aunts, Mrs. Anthony Lugliani.

Some time in November Miss Seiler will become the wife of Fred Fazzio of Billings, Montana. At the present time Fazzio is playing with a Billings baseball team. The wedding date will be set when he is able to get away from his duties with the team.

DC Building Firm Sued For $1500 In Damage Suit

Facing a $1,500 damage suit today is the Daly City building firm of Huber Brothers.

Harry B. Adams, 131 Alexander, charged that the company in July, 1948, started excavation work near his residence. Before the work was completed the company allegedly had undermined the foundations of the Adams home, thereby causing a back fence to collapse and the sidewalls and front stairs of the home to crack.

The plaintiff is asking $1,500 to pay for the alleged damage. He is being represented by the Daly City firm of Fahey, Bocci, Gallen, 3 Wellington avenue.

E. DEL BUONO

A requiem high mass was celebrated Tuesday for Eugene Del Buono, 55, Box 463, Colma, in Our Lady of Perpetual Help Church.

Buono died of a heart attack Thursday afternoon while working in a field on the George Lagomarsino Skyline Ranch. When Buono fell in the field, an ambulance was called but he was dead upon arrival at the Junipero Serra hospital.

A resident of this area for the past 26 years, Del Buono was a native of Italy. He was a member of the Court Colma Foresters of America.

Buono is survived by his widow, Mrs. Dezolina Del Buono, and children: Estelle Bertocchi, Evelyn Serroto, Robert Del Buono.

Following the mass, final interment took place in Holy Cross cemetery.

F. DONOFRIO

Frank Donofrio, 36, 257 Hillcrest drive, died August 13 following a short illness.

An assistant cashier at the South San Francisco Bank of America, Donofrio had been a resident of Daly City for the past 15 years. He was a member of the El Carmelo Parlor No. 256, Native Sons of the Golden West.

He is survived by his widow, Mrs. Dorothy Donofrio; children, Frank Jr. and Carol Ann; brothers, Vincent, John, Andrew and Rocco Jr., and mother, Mrs. Matilda Donofrio.

Requiem high mass was celebrated in Our Lady of Perpetual Help Church for Donofrio Tuesday, following Rosary services Monday. Interment followed in Holy Cross cemetery.

Raisins appear first in recorded history among the Egyptians who had a high regard for the fruit.

ICF To Hold SF Convention September 3-6

Members of the Italian Catholic Federation of California will meet for their 19th annual convention in San Francisco next month.

Highlight of the four-day convention, opening September 3, will be the first appearance of Father Riccardo Lombardi, S.J. of Rome. He is believed by many to be the foremost living Italian orator.

Father Lombardi will address the delegates and general public at a meeting in the Civic Auditorium Sunday afternoon, September 4, the first of a series of appearances throughout the state.

Also honored during the convention, according to Armond DeMartini, president of the central council of ICF, will be The Rev. A. R. Bandini, KSG, and Luigi Providenza, co-founders of the organization.

In addition to the grand ball September 3, there will be celebrated a solemn high mass coram pontifice at St. Mary's Cathedral Sunday morning; a grand parade in the afternoon and an anniversary banquet Sunday evening.

State Suspends 56,663 Drivers' Licenses

A total of 56,663 drivers' licenses have been ordered suspended by the California Department of Motor Vehicles during the first 11 months of the new financial responsibility law.

Walter Rector, local Farmers Insurance Group representative, said that during this same period a total of 246,455 accident reports have been filed.

Of this total only 189,792 were able to file proof of financial responsibility in the form of cash, a bond or an automobile insurance policy to cover damages.

What does a man mean when he says, "Let's get down to brass tacks"? He means that he thinks it's time to discuss the real issue.

And that's always a good idea! Nothing is gained by "beating around the bush." Wise men seek the issue ... and settle it!

In America there are millions of people who attend and support the Church. There are other millions who do not. What is the real issue on which these two groups disagree?

This is the issue: Is man the self-sufficient master of his world, able to overcome every problem by his own strength ... OR is man the noblest creation of an all-powerful God, weak in the face of life's turmoil when he stands alone, but strong when he joins heart and hand with God?

You're a man and you've seen something of life! Getting down to brass tacks ... are you stronger WITH GOD or without?

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday ..... Genesis 1:26-31
Monday ..... Psalms 8:1-9
Tuesday ..... Job 38:4-13
Wednesday .... Psalms 103:13-18
Thursday ..... Romans 7:14-20
Friday ..... Matthew 20:20-28
Saturday ..... John 3:3-8

BRANCH D.A. OFFICE OPENS

Branch offices of the San Mateo county district attorney opened on a part-time basis in the north of the county Wednesday.

Deputy District Attorney Henry Davis will be the circulating deputy. He will be stationed at various northern cities for from one-half to a full day each week.

No plans for his stop in Daly City have yet been announced. However, Mayor Paul Green said he was sure that the deputy would have Daly City as part of his itinerary.

The new office will afford citizens a convenience which will save them from traveling to Redwood City to consult a member of the district attorney's staff.

Davis will be in South San Francisco police headquarters all day Thursdays and Friday mornings. He will be at San Mateo Saturday mornings and all day Wednesday.

County $189,981 Community Chest Drive October 1

With sights set for $189,981, the San Mateo county community chest drive will get underway October 1.

The goal was set as the sum representing the minimum needs of eight Red Feather service agencies, Dennis Hession, general chairman, announced.

Many methods of raising the money are planned. However, this year each community will conduct its own campaign. Each locality will have an individual quota and a chairman in charge of all activities.

Plans for Daly City have not yet been made, nor has the quota been set. Chairman Paul Green will announce the quota at a later date.

The following additional leaders were named this week by Hession: Dan O'Connell, Mrs. Theodore Yaley, Mrs. Stella Jensen, Mrs. R. E. Damon, and Ray Kidder.

The Red Feather agencies whose services are supported by the community chest include: Boy Scouts, Girl Scouts, Young Men's Christian Association, Catholic Social Service, Children's Health Home, San Mateo County Blood Bank, Council of Social Agencies, and Family Service Agency.

Husband Allegedly Takes Baby From Estranged Wife

Separated from her husband last month, Mrs. Ruby Wilson, 134 Moltke street, was rudely separated from her 15-month-old baby girl last night.

At 10:30 o'clock last night Mrs. Wilson's husband, Joseph, allegedly broke open a lock on the garage door, entered his estranged wife's bedroom and grabbed the baby from its crib, police said.

Dashing out of the house, he took the girl, Donna Wilson, to his home at 849 Jefferson street in San Mateo.

At press time no formal charges had been filed against Wilson. However, Mrs. Matthews, who employs Mrs. Wilson as a housekeeper, said she would charge Wilson with breaking into her home.

Legal authorities reported Wilson could NOT be charged with kidnapping as the child was his own, and the courts had not yet decided on which parent will keep the baby.

MONTEREY COUNTY FAIR

Monterey County Fair will be held at Monterey this year from August 27 through August 30, according to the National Automobile Club.

Taking a theme from the Monterey Centennial, which will be held from August 29 through September 5, the Fair will remember the "good old days" in many exhibits of old farm machinery, household equipment, stamps, prints, and other souvenirs of the past. These exhibits when placed side by side with many exhibits of modern materials will accent the tremendous progress that has been made in California during the past hundred years.

REESE WINS 25-LAP BAYSHORE MIDGET AUTO RACE

By Tom Tromborg Jr.

A young man from Fresno, driving hard and furious at the head of a speeding pack of midgets showed the boys the short way around and came out the winner of the 25-lap main event at Bayshore Stadium last week.

Reese has set a terrific pace for the last week, when he followed his main event win over the field at Bayshore with a trophy dash win over Normi at Pasheco in the finest racing event of the evening.

Last Tuesday Reese set the bay area racing fans afire with his sensational 50-lap main event win at Oakland.

Like a new comet in the sky, Reese has risen fast into the spotlight of stardom and his style of driving those speeding midgets is both exciting and different from his contemporaries of the speedways.

Ed Bennet gave the crowd the chills Friday at the Bayshore oval when his car was having handling trouble, and his number of near flips through the evening brought out deep "oh's" and long sighs from the fans throughout the stadium.

The fans really are going for those mad men of the speedways, the daredevils who try to demolish each other by the simple but dangerous process of ramming, hitting and crashing into one another cars until the poor destroyed machines are too battered to run.

Last week was another thrilling destruction derby. And this Friday promises to be another thrill show.

The hard top racing at Oakland has now become the top feature at Oakland stadium, and is from what all who have seen it really a top thrill show. The hard tops are just plain stock cars with the glass taken out of the windows and then put on the speedways and they then race a regular program somewhat like in the midget races that are given throughout the area.

IMPEDING TRAFFIC

It's not only the speeding driver who is a traffic menace. The excessively slow driver is also dangerous, particularly if he insists on driving in the center lane. Remember, says the California State Automobile Association, that under the Vehicle Code you are also subject to arrest if you are impeding traffic by driving too slowly.

HOW SAFE IS YOUR CAR?

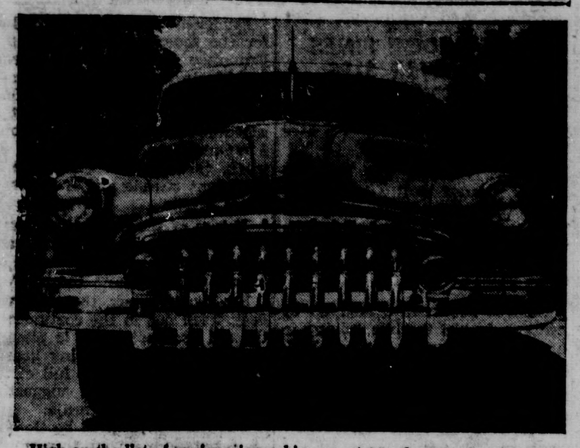
Safety inspection of the car does not end with testing out the brakes and greasing the steering gear, declares the National Automobile Club. It has to do with every part of the car including the battery, the carburetor, and the electric wiring. A dead battery would prevent you from going into low gear and using the starter-motor to pull the car off the tracks should the engine stall on a grade crossing. An unreliable carburetor, or one adjusted for too lean a mixture, would fail you when sudden acceleration was esential. Neglected wiring carries the possibility of having a fuse blow out some night when you are driving along the highway, leaving you in total darkness.

CAUSE OF OVERHEATING

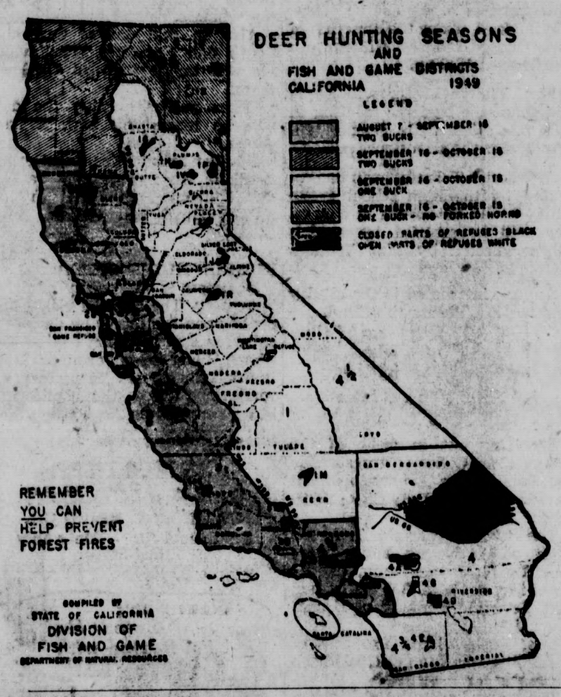
Sediment or any other foreign matter in the cooling system of your car is to be avoided, advises the National Automobile Club. If anything of this sort lodges in the thermostat valve, the water may not circulate to the radiator when the engine reaches the proper temperature, thus causing the system to overheat.

The work of foremost California artists will be exhibited at the California State Fair, September 1 through 11, in an outdoor galler

New Buick Special



High on the list of engineering achievements on the new Buick Special is the design of the combined bumper and grille. Developed by Buick and offered on the Special for the first time, this innovation was accomplished by placing the verticle bumper grille bars forward of the single-piece bumper. Two bomb-shaped bumper guards, which also house the parking lamps, are mounted on the bumper.



Woman Faints, Breaks Finger

Accidentally pulling a large chair over on herself Tuesday, a Daly City woman was treated for a broken finger.

The woman, Mrs. Ellen Yates, 140 Los Olivos avenue, fainted Tuesday evening and pulled the chair on top of herself. A police ambulance was called and she was rushed to Junipero Serra hospital.

After treatment she was released. The cause of the fainting could not be learned.

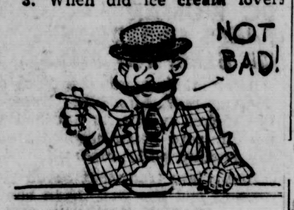
TEST YOUR I. Q.

1. When was the first school established in America?
2. How did the term "to shed crocodile tears" get its meaning?
3. When did ice cream lovers



taste their first sundae?
4. What does the word "holiday" take its meaning from?
5. When was the first serial story published in an American newspaper?

Answers to TEST YOUR I. Q.

1. The first school in America was set up in 1633.
2. "Crocodile tears" got its meaning of hypocrisy from the tale of ancient travelers that crocodiles moan and sigh to allure persons to their vicinity, and eyed tears while devouring them.
3. A soda fountain at Ithaca, N. Y., served the first ice cream sundae in 1897.
4. "Holiday" was originally "Holy Day." The word form became corrupted through the years. The days were originally ones set aside by the church as religious festivals.
5. "The Pennsylvania Gazette" published a serial entitled "Religious Courtship," and written by Daniel Defoe at Philadelphia in 1729.

STRIKE SETTLED, WESTLAKE PROJ'CT UNDER FULL STEAM

Back building homes today were the 400 Doelger Westlake project workers, following settlement Monday of a strike that had tied up deliverey of ready-mixed concrete.

The strike ended with a wage increase of 7 cents plus per hour for members of the AFL Teamsters Union Local 216. When the drivers went out August 2, delivery of cement to the Westlake and other projects was halted.

During the walk-out, Doelger temporarily laid off almost two-thirds of the crew at Westlake. However, due to previously-built foundations some of the carpenters continued to work. Had the strike continued for many more days, a Doelger official said the whole project would have had to close down.

Likewise under full steam today was the huge Metropolitan Life apartment project at Lake Merced. This was one of the largest jobs affected by the strike.

In earlier talks the union had asked for eight paid holidays, and the employers had countered with a five-cent-an-hour wage increase.

GRASS FIRES PLAGUE CITY

Small, but bothersome grass fires plagued the Daly City fire department today and yesterday.

At 2:45 p.m. today a minor grass blaze was reported at Knowles and Willits street. It was quickly brought under control with no damage reported.

Just two hours earlier blazebusters put out a minor grass fire in the hills above Frankfort street. Again damage was negligible.

At 2:08 p.m. yesterday the fire whistle blew, and hose hoisters rushed to still another grass fire in the Santa Barbara and Vendome area. Again no damage.

Animated displays have been entered by more than 20 counties for the California State Fair, September 1 through 11, with a majority of the 58 counties in the state having exhibits in the Agriculture building.

ICE IS THE ANSWER—When fish started dying in the tepid water of this artificial pond in Ludlow, Mass., ice was found to be the solution. Now the iceman cometh—every day—and drops off half a ton of his wares into the pond to cool the water and keep the fish alive. Youngsters using it as a swimming pool don't object, either.

HEARING BAD? CONSULT D. C. WOMAN

Never underestimate the power of a woman's hearing.

Witness the case of a Mrs. Gary, 482 Wellington, who yesterday afternoon reported to officers that blasting was going on in the quarry.

Police rushed to the quarry but there wasn't even a dead firecracker in sight.

Apparently Mrs. Garry had heard the army boys firing their guns i nthe Presidio some four miles from her home.

POALTI CHARGED WITH DRUNK DRIVING

Charged with driving while intoxicated today is Charles Poali, 31 E. Moltke street.

Poalti was stopped as he was traveling north on Mission street from Market street last night by sheriff's deputies. Allegedly he was driving in an erratic manner.

Daly City police charged Poalti with drunken driving and driving without a driver's license. He was released on $150 bail to appear at some future date before Judge William Sweeney.

Safeway Store Earnings Up

Net earnings for Safeway Stores for the 24 weeks ending June 18 amount to $2.53 per common share as compared with $1.07 for the 24 weeks ending June 12, 1948.

This was disclosed in the company's first semi-annual report to stockholders, Lingan A. Warren, president of the stores, announced.

Net working capital for the 1949 period increased more than $15,000,000 and the ratio of current assets to current liabilities increased from 2.55 in the 1948 period to 3.36 for the 24 weeks in 1949.

A reduction of 135 between 1948 and 1949 in the number of stores operated accounted for a substantial part of a drop in sales volume. Net sales operations for the period were $518,702,572, a decrease of $33,838,243 as compared to the same 1948 period.

Warren announced a reactivated building program and stated that tentative plans have been made for the replacement of all sub-standard stores.

Destruction Race Set For Bayshore

Another of the popular "destruction derbies" is scheduled for the midget auto racing program Friday night near Bayshore stadium.

The event, which has proven very popular in its other appearances, will see from six to eight cars ripping into each other until only one remains in running condition. It is an event which has the fans on the edge of their seats throughout the performance.

Many of the top midget auto pilots will be behind the wheels of the "destruction" jalopies.

Headlining the regular midget auto card will be a 25-lap feature. Time trials start at 7 p.m., with the first race at 8:15.

SM County Leads Bay Area Number New Homes Built

During the first six months of this year more homes were built in San Mateo county than any other of the nine bay area counties.

A report issued by the San Francisco Bay Area Council showed a total of 3,026 homes were completed in this county, although in other counties home building fell off six per cent.

With this trend continuing the housing shortage should soon be a thing of the past. At the present rate, 2.1 houses are going up for every new family in San Mateo county.

Also during the first six months of 1949, 1,422 new families settled in the county. Figures are based on utility records showing new homes connected for either gas or electricity.

CITY COSTS UP SLIGHTLY '47-'48

Expenditures in Daly City were up but $15,064 during 1947-48 as compared with the previous fiscal year.

Total expenditures during 1947-48 were $247,317 as compared with $232,253 for the year before, according to a report today by the California Taxpayers' Association.

Daly City can be proud of this small increase, as over the state as a whole city expenditures were up as high as 86 per cent over prewar years.

Biggest share of the expenditures went for protection of persons and property at about 27 per cent of the total. City street came next at about 12 per cent, with health, sanitation, general government and recreation costs following.

MANY NEW BOOKS NOW AVAILABLE AT D. C. LIBRARY

Many new and interesting books are now available at the Daly City Library.

Any of the books may be checked out from one to two weeks or longer by a resident of this community.

Borrowers interested in obtaining Italian novels may be happy to learn that a few of these books are now available. The small collection will remain at the library for a three-month period.

The State Library, where the Italian novels are obtained, also carries a large collection of French, German, Spanish, and Portuguese books.

If the demand is sufficient, a small number of these foreign language books may be received by the Daly City Library for a three-month period.

Borrowers interested in such reading material should consult the librarian, who will be happy to explain all the details of the state service.

Some of the recent additions to the fiction department of the library include:

Maugham, W. Somerset "Quartet"; Standish, Robert "Elephant Walk"; Robertson, Diana "A Cat and a King"; Hopkins, Tom "The Hard Riders"; Stevenson, Dorothy "Young Mrs. Savage"; Deasy, Mary "Cannon Hill"; Drago, Mary "Rustler's Bend"; Fenisong, Ruth "Snare for Sinners"; Steen, Marguerite "Twilight on the Floods"; Caldwell, Taylor "Let Love Come Last"; Streeter, Edward "Father of the Bride"; Mitford, Nancy "Love in a Cold Climate"; Cuthrell, Faith "The Golden Shoestring"; Marshall, M. "Wilderness Nurse"; Cozzens, James "Guard of Honor" (Pulitzer Prize novel); Miller, Arthur "Death of a Salesman" (Pulitzer Prize play).

Additional non fiction and junior books will be published next week.

A Children's Church

BY ADELE S. BAILEY

CHILDREN usually have their own playgrounds, theaters and schools but in the beautiful New England town bearing the name of the great poet Milton and not far from where the Pilgrims landed in their quest for religious freedom, there is a children's church. Here young folks hold their own special services.

The church is the realized dream of the wife of the Rev. Vivian Pomeroy, preacher in the First Parish Unitarian church of Milton, Mass.

Mrs. Pomeroy, being a pioneer in religious ideas for children, believed that if young people had a church of their own it would encourage them to grow in responsibility. It was a happy moment for her in 1938 when the congregation of the First Parish agreed to follow her plan. An old schoolhouse was moved to the green beside the church to become the children's church.

It now stands at a right angle to the parent church with a glistening white miniature belfry and steeple. Inside, it is complete with small-sized box pews, choir loft, pulpit and altar with candles.

• • •

EVERY Sunday at 11:30 o'clock the children leave their parents in the First Church and march to their own, while a husky lad of 15 rings the bell, a call to their own service.

Six young folks are chosen each week to participate in the service. While the congregation of young folks from the age of seven to 15 (the wee tots have a still smaller chapel in the Parish House close by) take their seats in the little white pews, a young organist plays Handel's Largo or another classical selection. Two children light the candles on the altar and the choir composed of a dozen young folks robed in blue and red take their places.

A boy in his early teens conducts the service which follows the order given in the "Beacon Song Book for Children" and consists of hymns, prayers and scripture readings.

A collection is taken up by two children and the anthem is sung. Mrs. A. H. Stonestreet, wife of the choir director, preaches. She starts her sermon with a few questions that the children answer.

• • •

ON Mother's Day the children's service was built around the Bible passage, "Honor thy father and thy mother," with suitable hymns and the sermon stressed the teachings of Jesus with references to obedience to one's parents.

The children conduct themselves in the manner of adults and take a keen interest in every phase of their church service.

During the week, Mrs. Stonestreet receives inquiries from young folks: "May I take part in the service sometime?"

She tries to select those best qualified to conduct the service and she encourages all to prepare for doing likewise.

The child who conducts the Sunday service must study during the week so that he may read well and understandingly.

Parents who are inclined to indulge in a late Sunday morning nap are wakened by the young folks, who exclaim, "Come on, while you go to your church, we are going to ours!"

Consequently the entire family goes to church.

New children coming to town, who are of Unitarian faith, are immediately visited by a member of the children's church and Mrs. Stonestreet, and invited to attend and participate in the church service.

Often the children's church is bright with a floral wedding display for the children return to their very own place of worship when the time comes to be married. But only christenings and marriages are allowed to take place in the little white church.

People from far and near write letters to inquire about the children's church, but Mrs. Stonestreet, who took over when Mrs. Pomeroy, to whom the church is dedicated, went to her Heavenly Rest, says she is happy to be kept busy giving out information for she believes this is one way to realize more and more fully Dorothy Pomeroy's dream that children should have a church of their own in which to worship.

FAMILY DAY

(Continued from Page 1)

pie-eating day will be celebrated.

Boys and g[illegible] who wish to take part must bring a pie. It is preferred that the pie be a home production, although other sources will be permitted.

Each pie bearer may bring one "pieless" guest. Stunts, relays and a pie eating contest will be included in the program.

The next day, August 24, a craft exhibit will be held at the Jefferson high school cafeteria dining hall beginning at 7 p.m. The exhibit will feature work of boys and girls.

A variety of craft projects will be on display including: plastic lapel pins, pyrocraft, bracelets, braiding, painting, small statues, basket making, airplane modeling and feet craft.

A stage program of playground talent including skits, dancing and instrumental numbers will be given from 8:45 to 10 o'clock.

Movies, including recreation films, cartoons and shots from the summer serial "The Last of the Mohicans," will also be shown.

All parents are asked to attend, as the show will give them a good idea of how their children have been spending the summer months.

SSF Fire, Police Dept.'s Honored By American Legion

Honor was paid the South San Francisco police and fire departments this week by the State Department of the American Legion.

At a special meeting of the Frank C. Jordan Post No. 762 prominent state and county officials paid tribute to the two departments.

A citation, honoring their fine work over the past years, was presented the two departments by former San Francisco police chief Michael Reardon. Reardon presented the award on behalf of the attorney general's office.

Police Chief Louis Belloni and Fire Chief Al Welte received the citation for their respective departments.

Among other notables at the evening banquet was Daly City Police Chief W. W. Sunderland. He spoke on behalf of Daly City and thanked the SSF departments for their fine work and splendid cooperation in the past.

WHEN IT RAINS POLICE ARE CALLED

Rain is unusual in Daly City.

So unusual, that last Thursday night an unidentified woman called police. She reported a heavy footed prowler was outside her window.

A police car sped to the scene. But there was no burglar, nor anyone else near the home. The heavy footsteps the woman had heard were nothing but the unaccustomed sound of rain beating down on a garbage can.

La Honda Mission Festival Due August 28

Northern California's historic La Honda Mission Festival will be held Sunday, August 28, in Cuesta Bowl.

Vice-chairman of the event this year will be Daly City's Judge John J. Fahey Jr. Judge Eustace Cullinan Jr. of San Francisco is the chairman.

An open air military mass in honor of California war heroes scheduled for 10:30 a.m. will precede the colorful forest pageant. Naval and military units will serve as escorts of honor during the services, which are open to people of all faiths.

During the afternoon festival, radio and stage stars will entertain and George Trager's orchestra will provide music for dancing in the Redwood grove. Budda, bay area radio performer, will act as master of ceremonies. Part of the day has been set aside for sporting events and picnics.

The festival is sponsored by San Francisco and San Mateo county citizens in behalf of the Catholic Coastside Missions. The celebration dates back to 1872, when the parishioners of Half Moon Bay started an annual fair.

COUNTY TAX RATE DOWN 20 PER CENT FOR FISCAL YEAR

Down approximately 20 per cent this year will be the county tax basic rate, tentatively fixed at $1.81 for the fiscal year 1949-50.

County Controller Fred Beer made this announcement earlier in the week. Last year the basic rate was $2.26.

It is expected the board of supervisors will adopt the rate at the August 16 meeting.

An overall 12 per cent increase on the secured property roll, plus better condition of county reserves are the two principal reasons for the tax cut, Beer said.

However, there is still some more taxes coming. These included support for schools, special assessment districts and mosquito abatement. These, however, have nothing to do with the county basic rate.

SSF Teacher Now In Europe

Enjoying the blue waters of the Mediterranean today on the French Riviera is Miss Esther Vireno, 6196 Mission street.

A school teacher in the South San Francisco elementary schools, Miss Vireno will be back in Daly City in time to take up her duties. She left New York, via the Queen Elizabeth, August 4.

Stretching out her vacation for as many days as possible, Miss Vireno will make the return to this country by air. This is her first trip to Europe.

During the five weeks on the continent, Miss Vireno will visit points in France, Switzerland, Italy and Belgium. She is the daughter of Mr. and Mrs. A. Vireno of Daly City.

SALMON TAKEN

A fair number of large salmon have been taken during the past week at the mouth of the Eel River in Humboldt county, according to the National Automobile Club.

Happy Birthday!

Next week, August 25 seems to be the day on which the majority of birthdays for the week will be celebrated. On that day four out of eight celebrations will be officially noted.

To one and all Harry wishes the best of birthdays and many more of the same.

August 20: Mrs. J. R. Stevenson, 12 Garden lane, Colma; Charles E. Naley, 72 Moltke street.

August 23 — Leslie Volkman, 49 Moltke.

August 24 — Jean Kaufman, 560 Hillside boulevard.

August 25 — Doris Jouglard, 743 Polk; Mrs. Eugene Laugenour, 107 Village lane; Bonnie Maffei Jr., 296 Station avenue; Astrid Peterson, 516 Arch street.

GOLF COURSE

$118,000 for the land, but that additional thousands would be involved for severence damages to the greens.

"Such a price would establish the proposed school grounds as the most expensive school site in California," Hester asserted.

The area in question would be used for a proposed school building adjoining the Garden Village school, which is now under construction.

Mike Callan, school board trustee, said the golf acreage had been chosen by the state department of schools. He said that he was against the purchase of the golf property. Generally, he claimed, the school board was in agreement with his stand.

"Instead of using the golf land, I believe we should purchase the less expensive property across the road from the present school. This property is in need of improvement and may be purchased for a much smaller sum," Callan said.

President Hester will meet with James Snell, district superintendent of schools, members of the school board and W. G. Parsons, state school department official, tomorrow. They will attempt to work out a solution to the problem.

The picnic was enjoyed by all and included a day of games, contests and a scavenger hunt with the boys coming out on top.

At another recent meeting of the Auxiliary, seven new members were initiated. The initiates included Marie Claussen, Helen F. Sievers, May D. Burdick, Anna F. Farragher, Mildred A. Kalinen, Frances C. Hopkins and Doris Bowen.

After the meeting the members enjoyed a tropical night program. Mrs. Agatha Hayden and Edrie Summers Sr. planned the evening's entertainment.

Palm trees, donated by the Daly City Mode O'Day shop were placed at the table corners. Blue spotlights illuminated the stage on which specially mixed sand and multi-colored fish were sprinkled.

Violet and Virginia Nordham, recently returned from Tahiti, presented the Tahitian numbers. Charlene Hussey presented several Hawaiian dances. Manuel DeLeon featured island melodies on the steel guitar.

After the program Marge Lynch, social chairman, and her committee served tropical refreshments.

Car Second Best In Truck Wreck

When a car and truck come at each other, and neither stop, there is going to be an accident, with the car coming out second best.

This is what happened Thursday evening when a car driven by Walter Messemer, 56, 1267 5th avenue, San Francisco, collided with a truck driven by James Ainsworth, 37, 96 Parkview avenue, Daly City.

The accident occurred at the intersection of School and Mission streets. The truck came off of School and the car was coming north on Mission. The two collided. Truck undamaged. Car sustained a bent hood, left front fender, and a broken headlight.

No citations were issued, but police are investigating the case today.

DIVING DEVICE WILL EXPLORE THE DEEP — A weird-looking apparatus, the "Benthoscope," is hauled out of the water at Long Beach, Calif., after a test run on the harbor bottom. Inventor of the device, Dr. Otis Barton of New York, plans to probe the mysteries of the deep in the diving bell, which is towed along the ocean floor on three drum-like wheels. Barton hopes to reach depth of 300 fathoms (1800 feet).

Woodrow Wilson PTA History

(The following is the ninth in a series of articles reviewing the history of the Woodrow Wilson PTA)

1947-49

An installation dinner was held at the Starway. Mrs. Edward Styskal, first vice-president of the 17th district installed the following officers: Marie Miller, president; Ruth Emerson, vice-president; Marge Ochander, recording secretary; Nellie Hacker, treasurer.

New members jumped 103 to a total of 259. The executive board meetings were held at homes of various board members.

Two evening meetings of the year included Fathers' Night and Founders' Day. Both meetings being held at Jefferson high school. Mrs. Virginia Hunter was hostess for the Magazine Whist. The proceeds were used to purchase eighteen California Parent Teachers Magazines and two National Parent Teacher magazines.

Mrs. Eleanor Cameron was in charge of the rummage food sale and lunch which was held at the Masonic Temple. Two graduation parties were given by the room mothers, as well as a Valentine and Christmas party.

The unit cooperated with the city recreation and other local units to carry on a city-wide Hallowe'en party. The unit helped promote and pass the school bond drive and election. Lettered sweat shirts were purchased for two basketball teams.

The membership dance was held at the Masonic Hall with the primary interest of the PTA becoming better acquainted. A tea and candle-lighting ceremony was held in honor of the 25th anniversary of the Woodrow Wilson PTA honoring the first president, Mrs. L. Brown, and other past presidents.

A whist was held to raise money to purchase robes for the mother-singers. Mrs. Marge Ochander was leader of the group. The annual mothers and teachers tea was held with the lower grades participating in the program.

Hot dog sales were held each month. Donations were made to the various county, state and national drives. Several members attended a parent education class. Members also associated at the Well Baby Clinic and the tuberculosis mobile unit. A life membership was presented to the president, Mrs. Marie Miller.

California's oldest newspaper, the Placer Herald of Auburn, was founded September 11, 1852.

DC WOMAN TAKES OVERDOSE OF SLEEPING PILLS

After taking an overdose of sleeping pills, Mrs. Nina Russell, 44 Crocker avenue, was rushed to the Junipero Serra hospital Monday evening, police reported.

Immediate treatment saved the woman, and she was taken home after a few hours in the hospital.

Police said they received the call from her husband. No explanation was given by officers as to how Mrs. Russell had taken the overdose of pills.

Badminton Champs Receive Trophies

New badminton champions of Daly City today include Beverly Clement, Gene Klinger and Glenn South.

Trophies were presented the winners following tournaments held at Jefferson high school gym August 3 and 10. This was the beginning of what the Daly City recreation department hopes will be an annual event.

Beverly Clement took two of the prizes, coming up best in the women's singles and helping Glenn South to take the doubles. Gene Klinger won the men's singles.

Badminton facilities are open the year around at the Jefferson high school gym from 7 to 9:30 p.m. every Wednesday.

ANGLERS TAKE TROUT AT BIG BEAR LAKE

Anglers were taking fair numbers of trout last week from San Bernardino county's Big Bear Lake, according to the National Automobile Club.

SSF PLANS SECOND COLUMBUS DAY OCTOBER PARADE AND FIESTA

Exploration of ideas and plans for the second annual South San Francisco Columbus Day Parade and Fiesta were underway today.

Sponsored by the Business Men's Association, this year's event is scheduled for the week of October 9 to October 16. The last day of the week, Sunday, will culminate in the giant parade and a series of other events.

Theme of the event this year is not Columbus. In fact the navigator has been given the brush off for the gold explorer, the '49er.

During the week, the town will deck itself out in the costumes of the old prospectors. It is planned to have the men wearing beards, and the store windows full of implements and displays suggesting the life of early California.

But the big day will be October 16. A parade will wind through the streets of South San Francisco. In it will be various floats, costumed men and women, and all the ingredients for a first class jamboree.

After the parade will be a field competition in which the best floats and costumes will be judged. Prizes totaling $1,500 will go to the winners.

Also on that day of days the South San Francisco Windbreakers will tangle with an Oakland team.

Later in the evening the day will be topped off with a free dance.

Further information on entering floats in the parade may be obtained from Tom Bocci Jr. of Fahey, Bocci and Gallen, Daly City.

POLICE JUDGE FINES DRUNK DRIVER $125

Mixing alcohol with driving proved expensive for one Daly City man this week who was fined $125 in police court.

Wilbert Grieves, 116 Bismark street, pleaded guilty to driving while under the influence of alcohol. Judge William Sweeney fined him and suspended his driver's license for 90 days in police court Friday.

Grieves had been picked up by officers August 6 while driving in an "erratic" manner south on Hillside boulevard.

Church Schedules All Day Meeting

The Women's Council of the Grace Presbyterian Church will have an all-day meeting Thursday, August 25, at the church, Hanover and Evergreen.

At 11 a.m. the executive committee meets in the church office. Circle No. 4, under the direction of Mrs. George Lindsey, will serve a luncheon at 12:30 p.m.

Mrs. Walter Kesler will be in charge of the business meeting at 1:30 p.m. Mrs. Leila Frazier will preside for the devotional period.

A "Mission Telecast" will be presented by the high school group with Phyllis Blackburn in charge. She will be assisted by a girls chorus directed by Mrs. William Harberts.

Anyone interested in the all-day meeting is welcome to attend.

D. C. Majorettes In Moose Parade

Strutting out in front of the Independent Order of Foresters in the Sunday San Francisco Moose Parade were two Daly City majorettes.

The two 16-year-old Jefferson High school young ladies were Miss Dettie Jayne Duffy, daughter of Mr. and Mrs. Bob Duffy, and Miss Lorraine Remmer of Broadmoor Village.

Mrs. Rose Adams, formerly of Daly City, was the principal drum majorette for the group.

The young ladies, dressed in costumes of yellow and gold, received much applause for their work by people standing along the sides of the parade path. Both young women are also known in this community for their fine dancing ability.

REDUCE NIGHT SPEED

Darkness is the enemy of driving safety. The reduced vision imposed upon the driver by darkness calls for extra caution behind the wheel. When driving at night, keep in mind the slogan: "slow down at sundown" urges the California State Automobile Association.

Relatives Pay Visit To Grant Williams

Now visiting Mr. and Mrs. Grant Williams, of the Williams Candy Store, 6694 Mission, are relatives from Salt Lake City.

The relatives, Mr. and Mrs. W. S. Edmunds are nieces of the Williams. They are here as representatives for the Moose Convention held in San Francisco this week.

Mr. Edmunds is state director for the Moose in Utah and Idaho.

Chorus To Sing At Naz. Church, Sunday School

Chorus singing led by The Rev. McKisson will be one of the features in the opening of Grace Church of the Nazarene service this Sunday.

The 12 minutes of chorus singing will be given during the Sunday school hour. Classes for all ages are open to anyone. They start at 9:45 in the church at Santa Barbara and Vista Grande avenues.

During the past week the young people of the church gave Mrs. Leo McMillan a going-away party at the home of her parents, Mr. and Mrs. A. P. Mills, 112 Buena Vista terrace, San Francisco.

Mrs. McMillan was the former Miss Edna Mills of Daly City. She saled Tuesday on the steamship General Randall for Hawaii to join her husband. She was accompanied by her two daughters.

Tuesday evening the Junior Girls' class of the Nazarene Bible school had a taffy pull in the church recreation hall. Those who attended the party were Carol Todhunter, Diane Thompson, Helen Kellar, Susan Waters, LaVerne Benson, Beverly Wheeler, Kathlyn Devilliers, and Caroline Cameron. Mrs. Grace Wheeler was in charge.

Sonoma County will show a replica of the famed Luther Burbank greenhouse during the California State Fair, September 1 through 11.

"The Secret Of Rest," Sermon Topic At Ocean View Cong. Church

Title of the sermon at the Ocean View Community Congregational Church this Sunday will be "The Secret of Rest."

The Rev. J. H. Bennet invited everyone to attend the 11 o'clock service, and bring the children. A children's nursery is open for the young folks while their parents are attending church.

As usual there will also be 9:45 a.m. Sunday school services at the church, Rev. Bennet said.

Pvt. Battaglieri Now In Japan

Pvt. Joseph Battaglieri, partner in Ginos Bar and Restaurant, 401 Front street, is now serving with the 21st Infantry regiment on Kyushu, Japan.

The son of Mr. and Mrs. James Battaglieri, 123 Wilson street, is one of the servicemen taking courses at the Army Education Center. The center offers military personnel the opportunity to prepare themselves for careers in the army and civilian life.

Battaglieri, who did a war-time stint in the Merchant Marine, entered the army under the Selective Service Act of 1948. After completion of his tour of duty he expects to return to San Francisco and resume his duties behind the bar.

The greatest display of wines in the history of the California State Fair, September 1 through 11, will be exhibited in the Agriculture building.

Tire Iron Thief Enters DC Home

Handy with a tire iron, but in the wrong place, an unidentified burglar broke into the home of Mr. and Mrs. Kendal Van Pelt, 348 Santa Barbara, last week.

As the Van Pelts are on vacation, police said it was impossible to ascertain at this time what had been taken. However, officers reported all the drawers in one bedroom had been ransacked.

Entrance was gained by prying up a window leading off the front porch. The thief broke in some time between last Monday and Thursday, police said.

NSLI Dividends Coming Next Year

Some 16,000,000 veterans are scheduled to receive National Service Life Insurance dividends early next year.

Floyd D. Granger, veterans service officer, suggested this week that the dividends be used by those who have dropped their policies to take up new insurance plans.

"This dividend is a reminder of the value of NSLI protection. Why not use it to take out a new policy?" Granger said.

Of the 16,000,000 policies on which dividends will be paid, there are only 7,000,000 of these still active.

COUNTY OLD AGE PENSIONS UP

More and more of the aged are drawing pensions in San Mateo county.

Aged aid rolls in the county jumped from 1,702 for July, 1948, to 2,524 for June, 1948. This is in step with the state which reports rolls skyrocketed to 245,294 for June, 1949, as compared with 189,415 for July, 1948.

This, compared with national trends, is completely "out of control," the California taxpayers' association said.

Old Dobbin Safer Than Horse Power

Get a horse and drive in relative peace and safety.

So advises the California Highway Patrol, as statistics show not a single fatality for the past two years has resulted from the collision of horse powered cars and horse-drawn vehicles.

The point may be raised that there are not many horse-drawn vehicles today compared with the number of automobiles, but the horse lovers still claim other collisions are too high.

They cite the following highway fatality figures for 1948: Motor vehicles in collision with pedestrians killed, 939; with other motor vehicles, 1,078; with trains, 154; with fixed objects, 291.

SF Harbor Days This Week End

Harbor Day observance will be held in San Francisco beginning tomorrow and running through until Monday.

The entire program is designed to call attention to a century of recreational and commercial waterfront activity inside the Golden Gate.

Visiting dignitaries will be afforded an air tour of the Bay, the public will inspect commercial and armed forces vessels, and there will be a nautical-style fashion show August 20.

The third day, August 21, will feature the Pacific Coast championship yachting regatta when more than 500 sail and power boats are scheduled to be in the harbor.

Information booths will be set up about the city to answer maritime questions of visitors and local residents alike.

Frozen Food Circular Ready For Distribution

How to prepare, store, thaw and cook frozen foods is described in a new University of California circular, 153.

The circular, written by extension specialist Vera Greaves, is now available at the College of Agriculture, Berkeley, or from the office of any farm advisor.

It describes methods of home freezing techniques, and specific instructions for freezing fruits, vegetables, meat, fish, poultry, eggs and precooked foods.

Jeff High Pool To Close Down For Two Weeks

Swimming in the Jefferson High school pool ends for the summer August 27, Director Glenn South said today.

The pool will re-open with the beginning of school, September 12. The high school gym also will open when the new school year begins. Every night but Wednesday the gym will be available for basketball players. Wednesday night will be for badminton games.

A men's basketball league will be formed shortly after school begins. This league will play on Tuesday and Thursday nights.

During the summer the pool, which opened June 20, has been enjoyed by some 700 people who have taken the school sponsored swim courses.

Recreational swimming has been enjoyed by hundreds during the afternoons and evenings of the summer months. The general public is well aware of the fine swimming facilities of the high school pool.

People from San Francisco and Peninsula points have been attending as well as those from Daly City.

DALY CITY—COLMA

A little-known naval research department stands as the body behind the man behind the man with the lever.

So said Harold Schioldazer, of the office of naval procurement, at a Lions Club luncheon this week. Although he could tell little of the department's work, as it is top secret, Schioldazer asserted his office was of great importance.

"We deal with intangible things. We never know what use the knowledge we gather may be, but somehow it is usually always of some good," Schioldazer said.

As an example he pointed out the recent progress in jet fighters. In order to withstand high speed at top altitudes the fighters had to be built with a special type of strong metals.

These metals, Schioldazer said, were developed by his department long before the jet was even a dream. The data was kept for many years and then used at the appropriate time.

Another guest speaker at this week's meeting was Glenn Ford. No, not the movie star but a representative of a sink garbage disposal unit.

Ford asserted the units are now being used widely in the east, and have become compulsory parts of some of the newer homes and apartment houses.

The name of next week's speaker could not be learned at this time.

LARGE STRIPERS LANDED

Anglers were taking striped bass running from nine to thirty-five pounds last week off Hunter Point in the San Francisco Bay, reports the National Automobile Club.

LUNCHEON GIVEN AT JACK HOLT HOME

A luncheon was given recently by Mrs. Jack Holt at her 114 Garden lane, Daly City home.

Guests of honor were Mrs. Mary Ehlinger and Mrs. Thelma Malicotte, both past-presidents of the Ladies Auxiliary Fleet Reserve Association No. 48.

The two ladies are leaving shortly as delegates to the FRA convention in Maryland. Some 20 guests were present.

BURGLARS BREAK OUT OF AMUSEM'T CENTER WITH $90

Giving a repeat performance of a burglary seven months ago, unidentified robbers broke out of the Daly City Amusement Center, 6380 Mission street, Sunday night with $90.

Police believe the thugs hid in the establishment, until it was locked up for the night. Then they emptied two cash registers of the aforesaid sum in change and bills.

Using a crowbar, the robbers pried open the door from the inside and stepped out into the street.

About seven months ago the same inverted procedure was used to remove $280 from the amusement center. Officers did not say whether the same thugs were involved in Sunday night's job.

Stamp Exhibit At S.F. Post Office

Stamp collectors this week will find an unusual display of stamps at the San Francisco main post office.

Presently displayed are varied collections gathered by members of the California Collectors club which include:

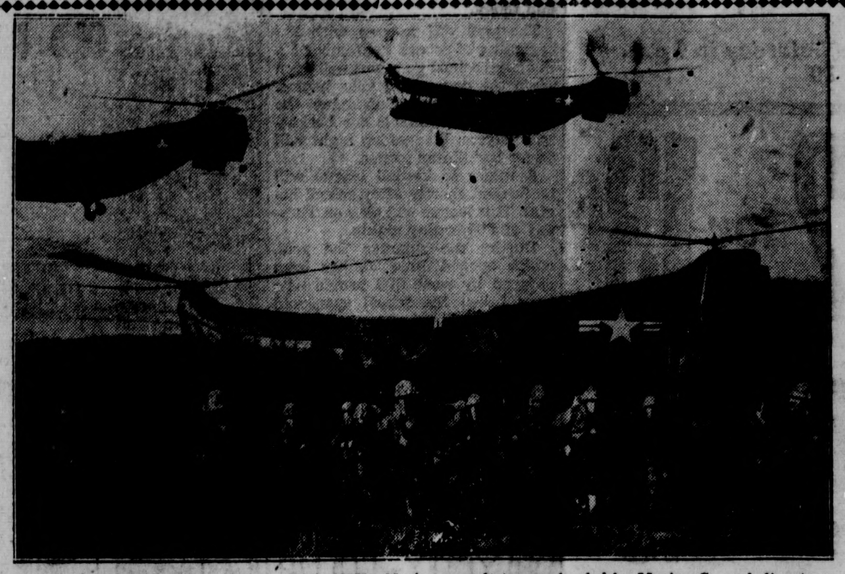
United States three cent purples, a collection of 70 different three cent stamps printed in purple.

Eight stampless covers, the oldest cover dating back to May 10, 1826.

Cover collections of $5 Calvin Coolidge stamps; $2 Warren G. Harding; two sets of the Iwo Jima stamp, autographed by Joseph Rosenthal, the original photographer; over-run countries and the Palomar Mountain program with blocks of stamps.

A panel of Norse American, John Ericsson Memorial, White Plains International Philatelic Exhibit, the Warren Harding Memorials two and three cents, and the Lexington Concord one and two cent.

The public is invited to see these stamps at the post office philatelic library, 7 th and Mission.



STRAIGHT DOWN FROM THE SKY—Marine assault troops, landed by Marine Corps helicopters, dash forward in simulated attack at Marine Corps Schools, Quantico, Virginia. The use of helicopters in carrier-launched, airborne raids, was demonstrated for members of the 81st Congress recently at

Old Glory Post Auxiliary Visits

On hand for the installation of officers in the new Lake Merced Post No. 9921, VFW Auxiliary, last week were members of the Old Glory Post No. 2044, VFW Auxiliary.

The Old Glory post past president, Ruth Brulez, was conductor while the present president, Eleanor Hatt, acted as assistant conductor.

Others who visited the new post included Mary Conti, Bonny Ellenwood, Catherine McKuown, Rose Fisher, Mary Roberts, Clara Poket, Myra Hoffron, and Marjorie Johnson.

Over One-Half Arrests In State For Drunkenness

Too much alcohol and not enough horse sense result in half the arrests made by police in California.

This was the recent finding of the state commission on social and economic causes of crime and delinquency. The commission reported over one-half the arrests in California cities are for drunkenness.

A visit to Daly City's police court will confirm this finding.

The commission also condemned what they called the "revolving door" method of handling alcoholics. It is a needless waste of money to arrest a man one day and release him the next, and repeat the process again in two or three days.

A proposal for the establishment of a special state hospital for alcoholics was endorsed by the commission as a possible answer to the aforesaid practice.

It was also brought out that the state's steady increasing population and the approximate 150,000 migrant laborers are two leading factors for the high rate of drunkenness.

PVT. G. W. SMITH AT ARMY SCHOOL

Pvt. George W. Smith, son of Mr. and Mrs. H. H. Smith, 187 Irvington avenue, is now in Kyushu, Japan. He is taking courses at the Army Education Center. Pvt. Smith entered the army in January, 1949, and took basic training at Fort Ord, California.

SALES STEADY IN SM COUNTY

Retail sales in San Mateo county appear to have remained steady over the past year.

This was the finding today based on taxable retail sales. During the first quarter of 1949 they were down only two-tenths of one per cent below sales for the first quarter of 1948.

Figures were based on dollar volume. However, sales of foodstuffs and gasoline, neither subject to the state sales tax, are not included in the computation.

San Mateo had the smallest county decline of seven Bay area counties.

Hillcrest Circle To Hold Whist Game

Mark August 22 as another whist day.

The Hillcrest Circle No. 143, UAOD, will preside over a whist game at 8:30 p.m. sharp that day in Masonic Hall, 17 Hillcrest.

Chairmen for the affair will be Mrs. Marie Miller and Mrs. Janet Marsh. Refreshments and prizes will be given at the whist party.

DEER SEASON GOOD IN KERN COUNTY

Deer season got off to a good start in the Frazier Mountain-Lebec district of Kern county last week. Hunters have moved into every camp site and many bucks have been bagged.

SF MUSEUM OF ART TO SPONSOR CONTEST FOR COAST ARTISTS

The San Francisco Museum of Art has undertaken, as an important section of its fall activities, the first annual Pacific Coast Decorative Arts Competition.

Competition is open to artists in the three Pacific Coast states. The event is expected to bring together designer, manufacturer and consumer with the idea of stimulating interest in wallpaper, textile, table and lamp design and to develop creative talents on the coast.

Information about the competition may be secured from Robert M. Church, assistant curator, San Francisco Museum of Art, Civic Center, San Francisco 2.

OUTING TO S. F. PLAYGROUND AUGUST 26th

With outings becoming more and more popular, the Daly City recreation department has one scheduled for next Friday.

This outing will be to the San Francisco beach and playground. All boys and girls interested are asked to contact their playground directors.

Meanwhile, other outings held last week include:

Last week 50 youngsters enjoyed the educational and exciting features at Golden Gate Park. The excursion was held on Wednesday, August 10.

Saturday, August 13, 25 youngsters from Crocker and Lincoln enjoyed a free baseball game at Seals' Stadium. They saw the Seals beat the San Diego team by 4 to 3.

Other activities of playgrounds last week included:

LITTLE JEFF: This week Ario Lreydria defeated Joey Ordonez in two out of three games to cop the checker champion title. The cast of "Punch and Judy" is all chosen and the youngsters are hard at work rehearsing. Joey Ordonez is working on the part of "Punch" and Virginia Brett is the leading lady as "Judy."

LINCOLN: Lincoln's baseball team has remained undefeated and Saturday Owen Charles pitched a one-hitter, beating Crocker two to one. Up at Bellevue Charles also took the table tennis crown.

CROCKER: Alligators, tropical fish, gorillas and tales of a foreign land were the topic of conversation August 10 for a group at Crocker. The "trek" for the day had been to the Japanese Tea Gardens, the DeYoung Museum, the Aquarium, and the African Hall. The day was completed at the playground at Golden Gate Park.

Saturday 24 girls and boys joined with playgrounds from Daly City and San Francisco at Seals Stadium.

Folk Dance Enthusiasts To Hold Street Program

Folk dance enthusiasts will meet August 21 for a street dance in San Francisco.

The dance will be held from 7 p.m. until midnight on Stockton street between Filbert and Union. The folk dancing program will be sponsored by the Folk Dance Federation.

Several hundred local and visiting members of the Federation are expected to participate in the event.

Daly City Prices Show Small Drop

Prices in June dropped slightly in the Daly City area as compared with the month of March.

According to the Bureau of Labor Statistics prices were down about one-half per cent below the March level. This decrease marks the return of prices to about the level of the same time one year ago.

Sharpest change during the March-June quarter took place in house furnishings. Prices on these items went down from one to six per cent. Primarily the cost of washing machines, cook stoves, refrigerators, bedroom suites, wool rugs and cotton curtains dropped.

The June purchasing dollar was worth 57½ cents as compared to the value of the 1939 prewar dollar.

Special Post Office Set Up For Convention

A special postal station will be established at the Hotel Whitcomb, San Francisco, August 18 to 21.

The office will serve the needs of the 55th annual convention of the Society of Philatelic Americans, and the 10th annual stamp exhibition of the California Collectors club.

A special hand - cancellation bearing the inscription of the "San Francisco, Society of Phil. American Conven. Stat." will be placed in use during the period.

Opals are found in three Australian states — South Australia, New South Wales, and Queensland.

California-bred Brahman cattle are now being planted on Pacific Islands to restock war depleted herds.

Bird Hunting Season Opens October 21

Hunting rules for the 1949-50 California season will permit nimrods to take waterfowl from October 21 to November 9 and between December 19 and January 7, inclusive.

This is a split hunting season 10 days longer than in 1948. Along with the longer season is an increased bag limit on geese.

Bag limit of ducks remains at five, with no more than one wood duck allowed. Possession limit, after opening day, is 10 ducks, with not more than one wood duck.

Geese limit has been upped to six from last year's five. No more than two Canada geese may be possessed. The taking of Ross geese is prohibited.

No shore birds, including Wilson and jack snipe may be taken, but 25 Mergansers and 15 coots may be shot each day.

Shooting hours are from one-half hour before sunrise to one hour before sunset except on opening days of each season, when shooting begins at noon.
